

Kierrätystä ja lajittelua kesään!

An illustration showing various items being sorted for recycling or hazardous waste disposal. On the left, a yellow bin with a skull and crossbones symbol is for hazardous waste. Next to it are a car battery, a AA battery, and a can of orange paint with a paintbrush. In the center, a blue bin with a recycling symbol is being filled with an orange spray bottle by a hand in a blue glove. To the right of the blue bin are a dark glass bottle with a skull and crossbones label, a small orange pill bottle, and a compact fluorescent light bulb. The background is a simple green field under a yellow sky.
